The minutes of 2<sup>nd</sup> Circle Council Meeting held on 03.04.2010 is received by me. I would like to request you for early settlement of following issue which was discussed in the meeting:

which they are doing the work pertaining to whole SSA should be provided a GSM Service Connection.

The situation where “an Employee maintaining GSM BTS is having a WLL Service Connection” is not a practical way to work properly.

So, I hereby request you see to the matter and at least the staff working in such sections must be provided the GSM Service Connections. Some of the SSAs have provided such Connections in Gujarat.

So, I hereby request you to please look in to the matters and do needful earliest.

Thanking You.
